

I oppose media concentration!

I am writing regarding Docket No. 02-277, the Biennial Review of the FCC's broadcast media ownership rules.

Giant media corporations like Rupert Murdoch's conglomerate are controlling too much of the news, culture, and public opinion and as a result, local and diverse viewpoints are being squeezed out of the public discourse.

Regulations on media ownership must not be relaxed or this squeeze on social, political and cultural perspectives will accelerate, putting the very foundations of our democracy in danger. DO NOT relax the media ownership rules which will approve MURDOCH'S BID TO EXPAND his control of the media.
